Dear Harry:

Will you please indicate any corrections or additions to the attached minutes of the meeting held at Los Alamos Scientific Laboratory on August 5-6, 1952. Please check especially the accuracy of reporting those points where agreements were reached. If you have additional thoughts that were not introduced into the meeting will you forward them to me, as I will combine the replies as an addendum to the minutes.

Please pass along a copy of the minutes and the above suggestions to Ed.

I want to thank you and Mrs. Schulte for a splendid dinner and a very pleasant evening in your home. Mrs. Schulte certainly deserves a medal for taking on that size crowd.

Cordially,

Gordon M. Dunning
